ITB 32

Keep your food and drinks perfectly chilled on board with the Travel Box portable compressor fridge – compact, reliable and ready for every adventure.

The **ITB 32 Travel Box** portable compressor refrigerator is the ideal solution for those seeking high performance and reliability during their adventures onboard. Equipped with a compressor that ensures rapid and efficient cooling even under extreme conditions.

The renewed design uses durable materials and an intuitive digital control panel, providing a simple and functional user experience. The 32-liter capacity allows for the storage of a significant amount of food and beverages, keeping them at the desired temperature.

The product includes a 3-level battery protection system and comes with a DC power cable.
