

Adventure - Portable Refrigerators - Travel Box

ITB15

Travel Box portable compressor refrigerators offer maximum convenience in various settings: perfect for leisure activities and professional vehicles, they ensure the safe transport of small quantities of food wherever you go.

The ITB 15 Travel Box portable compressor refrigerator is the ideal solution for those seeking high performance and reliability during trips, camping, or off-road adventures. Equipped with a compressor designed for automotive use, it ensures rapid and efficient cooling even under extreme conditions. The renewed design uses durable materials and an intuitive digital control panel, providing a simple and functional user experience. ITB 15, with a capacity of 15 litres, has been designed to be used even in the smallest spaces and to be easily transported thanks to its low weight. The product is equipped with a 3-level battery protection system and supplied with the DC power cable and a practical shoulder belt.
