

Automotive - Built-in Refrigerators

TB34AM

The built-in series for commercial vehicles and coaches meets the most diverse market requirements in terms of size, finish and ease of use.

The TB34AM is a capacious and stylish refrigerator with a capacity of 35 litres, featuring a fall-front door and an inner sliding drawer. It can be used in a very diverse range of cabs and easily placed under the bunk. Fixing plates come as standard.
