

Automotive - Built-in Refrigerators

UR35

The built-in series for commercial vehicles and coaches meets the most diverse market requirements in terms of size, finish and ease of use.

The UR35 cooling unit turns the standard drawers of MAN TGA/TGX into actual refrigerators as originally designed by MAN. The installation is very simple since the drawers are conceived for fitting the cooling unit by the manufacturer.

Technical features

Capacity (L)	-	Dimensions (HxWxD) (mm)	159,5x162x348,5
Net weight (kg)	8,4	Consumption (kWh/24h)	-
Voltage (V)	DC 12, DC 24	Power absorption (W)	60
Refrigerant gas	R134a	Climate class	N
Certifications	CE, E-Mark, EMC
